**Permanent Address :**

H.NO :2-79/1-1,  
Korutlapet (Vil),  
Yellareddypet (Mandal),  
Siricilla(District),  
Telangana,  
505305.

**Project profile :**

**Mini project:**

**Title** : INTELLIGENT STREET LIGHT CONTROLLING WHILE VEHICLE PASSING.

**Description** : This project deals with "Development of an embedded system for automatic street light controlling while vehicle passing" using controller AT89S52.

**Project profile :**

**Major project:**

**Title** : INTELLIGENT SYSTEM FOR HAZARDOUS GAS , HUMAN DETECTION AND TEMPERATURE MONITOR CONTROL USING GSM TECHNOLOGY.

**Description** : The main aim of this project is to continuously monitor the house or industries and if any fire accidents occur, the system should alert the siren and inform immediately to the person concerned. This is a purely wireless project using GSM modem and totally eliminates a person who has to monitor the house all the time.
